NESTLE TESTIMONIAL

RE: THANK YOU

Dear Mike,

As you are aware I am leaving my current position within Nestle and moving out of shared services altogether. Before my official departure from the recruitment team I would like to offer my sincere thanks for all your support and hard work throughout our working relationship.

As a preferred supplier to Nestle the service both yourself and Techsearch have provided has been excellent. I have found your attitude towards servicing our needs has always been a positive one. You have consistently provided us with additional candidate information above and beyond our expectations. You have not only understood the Nestle dedication to continuous improvement but have supported this philosophy wherever and whenever possible.

Over all Mike you have evidenced a your understanding of the Nestle business. You have not only provided us with an excellent standard of candidate -thus understanding our recruitment needs – but have also worked extremely well with the various personalities and sites within the business. Most importantly you have understood the Nestle culture, proving yourself to be a truly professional recruiter.

Thank you once again for your efforts Mike and rest assured I shall not hesitate to recommend your services to my successor. My best wishes for the future to both yourself and Techsearch.

Best Regards
Recruitment Specialist
